The Consultant's Value Ladder

2. Downloadable Worksheets & Further Reading Hub

A. Worksheet: "The Consultant's Value Ladder"

- **Purpose:** A fill-in-the-blanks tool to help learners map out how they can grow a single ₦15,000 job into a ₦45,000 project.

Step 1 (Basic Job): Designing one company logo for ₦15,000.

Step 2 (The Value-Add): Suggesting an animated version of that logo for video content.

Step 3 (The Growth Project): Turning the logo into a full "Brand Identity Kit" including social media banners and business card designs for a total of ₦45,000.

Step 1: Basic Job (₦15,000)
Service: Create and schedule 10 social media posts for a small business.

Step 2: The Value-Add
Suggestion: Offer to create a simple content performance report and engagement strategy.

Step 3: The Growth Project (₦45,000)
Service: Transform the social media management task into a complete Digital Marketing Growth Package.

B. Further Reading Hub (PDF Links/Copy):

- **"The Early Truth Manual":** A guide on how to communicate delays professionally without losing client trust.
- **"Nigeria's Fintech for Freelancers":** A simplified guide on using apps like PiggyVest or Kuda to automate the "3-Jar" savings system.
